

Dear Parents,

Skoolbo is a great new site to help children with literacy and numeracy. Children are immersed in an incredible learning world and become highly motivated by the inbuilt rewards mechanisms designed to encourage healthy use and to maximise learning.

Your child has been provided with an account that grants full free use of the program both at home and school. As a parent you are able to view your child's results via the **Parent Dashboard**. There is no advertising on Skoolbo and there are no in-app purchases. Children are not able to communicate on Skoolbo and there is no possibility of unsafe interactions.

How to get going at home:

1. Visit <http://dashboard.skoolbo.co.uk/parent/register> and register as a parent in Skoolbo.
2. Once you log in with your account at <http://dashboard.skoolbo.co.uk/> you can link it with your child's account **Username:** _____ and Password. The password (always a colour and an animal) is by default the colour BLACK and the animal BEE, although your child may have changed this at school.
3. Then visit <http://skoolbo.co.uk/downloads> and download the software. Skoolbo is available on tablets (iPads and Androids), computers (PCs and Macs) and also through the Internet browser.
4. Open the software and select the **Parents** option, log in with your parent account, your child's account will appear on the screen as an avatar. Just click on it, select your child's password and they will be ready to play.

Tips for Maximum Benefit

- Encourage your child to use Skoolbo four to five times per week for around 20-30mins each time (this should be about ten games).
- Don't let other children (or adults) play on your child's account. Skoolbo uses a smart algorithm that determines the most appropriate learning activities specifically for your child based on his or her recent performance. Other users could affect the level of activity presented to your child.
- Celebrate your child's successes. Examples include 1,000 Correct Answer milestones and other improvement awards.
- Refer to the **Parent Guide** available at the **Downloads** tab on the website for additional tips and instructions.

Best wishes,

and The Skoolbo Team
