Dear Parents/Carers

Welcome back after the holiday. I hope you are well and looking forward to a busy half term at Alveley Primary. May I thank you for an incredibly positive pair of parent evenings. It was reassuring to hear all your positive comments about school. We have come so far in one year!

I am pleased to be able to officially confirm that our Academy now includes St Leonards and Castlefields Primary schools. This will not affect the running of our school but will enable us to work collaboratively in moving areas of learning forward.

With moving forward in mind, we have updated our school logo as you can see in the letter heading. This will not affect uniforms in the short term. Our aim is to have the new logo on uniforms by September 2018 and do not want you to worry about having to change kit and spend money. Both logos will be fine until your children grow out of what they have!

We are also in the process of building our new website. If you go to [www.alveleyprimary.co.uk](http://www.alveleyprimary.co.uk) you can see all the changes. Please bear in mind that class content and photos are still in development and the site will have a clear focus on displaying life at Alveley Primary.

The gate on Daddlebrook Road is now working and can be used during school hours for entrance to reception. May I remind you that morning and evening pick-ups will still be at the back of school.

If you would like to volunteer at the school in any capacity please see Mrs Green and we will complete a DBS check enabling you to work here.  
Thank you for your ongoing support.

Mr O'Malley  
Head Teacher
