

Alveley After School Club

Dear Parents and Carers,

Just a reminder about what is on offer at our After School Club...

- Club starts at **3:15pm** and runs until **5:15pm**
- Either 1 hour or 2 hour slots can be booked
- Squash, biscuits and fresh fruit provided
- Different activities throughout the week including Tuesday **Art and Crafts** and Thursday **Cooking**
- Construction toys, IT, colouring and drawing, games and puzzles etc. available every day (decorating and eating biscuits or fairy cakes is also proving very popular!)
- Quiet area for reading or doing homework

After School Club takes place in a self-contained classroom with its own toilets, kitchen area and separate outside entrance to collect your children from. The service is used by families needing a later pickup time due to work commitments and also by children who just wish to take part in the activities on offer for an hour or two! Children are encouraged to take part in activities but can also simply "chill out" and chat if they wish after a hard day in class!

Sessions should be **booked in advance** but last minute places are available when needed. **Payment in advance** is necessary to ensure a place and so that adequate adult supervision can be provided.

If you are interested in joining in, please pick up some details from Mrs. Green in the school office

Yours sincerely,

Mrs Guest.
(After School Club coordinator)
