Monday 30th March - Friday 10th
April

Summer Term 2026

Term Starts

Monday 13th April - Friday 22nd
May

Bank Holiday Monday 4th May

Half Term

Monday 25th May - Friday 29th

May Term Starts

Monday 1st June - Friday 17th July

We want to take this opportunity to wish our wonderful Year 6 pupils all the very best as they move up from Alveley Primary! staff at Alveley Primary School are so proud of the journey each of them has taken during their time here – it has been a privilege to support them as they have grown, developed, and flourished.

We are especially proud of their amazing SATs results, which were a true reflection of their determination, resilience, and hard work. These fantastic achievements are worth celebrating, and we know they will carry this same attitude forward into secondary school and beyond.

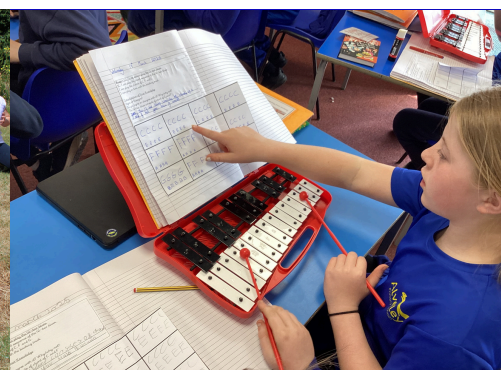

Good luck, Year 6 – you've been brilliant!

I am sure you will also join us in welcoming Mrs Lowe as our newly appointed Assistant Head.

Have a safe and fun summer holiday and we look forward to welcoming you back in September.

Executive Head

Mr P O'Malley

OUR LEARNING THIS HALF TERM

This half term has absolutely flown by! In nursery this half term we have been outdoor explorers. The children have had adventures including camping, going to the beach, going into the ocean and investigating mini beast!

The children have enjoyed exploring our forest school at every opportunity. We have been so excited to tend to our seeds regularly and we have been harvesting strawberries all half term!! In the last couple of weeks we have found potatoes and carrots - Its been wonderful growing our own produce and sharing it around school.

We have had some really immersive books this half term. The Ocean Gardener, Shark in the Park and Sharing a Shell have been firm favourites and the children have loved using them to create their own ideas with arts and crafts. I am really going to miss all the children when they move up to Reception, I am so proud of all of them!

Good luck all - have a wonderful holiday!

FROM 7.30 - 5.15PM**

NURSERY TIMINGS

Morning sessions 8.45-11.45AM

Afternoon Sessions 12.15-3.15PM

CLASSES

OUR LEARNING

BEECH CLASS

Beech have had an enjoyable half term. They have been busy learning all about 'Summer'. As part of this topic some of the focus books have included Jack and the Beanstalk, The Very Hungry Caterpillar and The Snail and the Whale to name a few. The class used plasticine to make either the snail or the whale from the story. Children were very creative and added different materials to their creation. Children have also been sharing and reading books with children from Cedar class. It was a great opportunity for children to get to know their new class friends a little bit more and share some of their favourite books. In Literacy children wrote sorry letters from Jack to the Giant and wrote a list of food they would eat if they were the hungry caterpillar!

CEDAR CLASS

Cedar have had a wonderful half term. In Literacy they wrote their own traditional tale based on the story- The Little Red Hen. In Maths children have been learning about measure and time. Children have been eager to tell each other the time throughout the day. They have been an impressive class when it comes to telling the time and have learnt this skill well. Cedar Class have participated well in Forest School sessions with Mr Lockley and particularly enjoyed getting to drink hot chocolate and toast marshmallows to make smores. The children also had great fun on recent a class trip to Warwick Castle. Children attended a workshop and learnt about castle life. We watched the falcon show where the birds of prey flew very close to everyone's head so we had to duck down as they flew towards us. Children also got to watch the launch of the might trebuchet.

ELM CLASS

This year has flown by in Elm, this half term our topic has been 'Under the Canopy'. We had a great time at West Midlands Safari Park, we saw some snakes, frogs and lorikeets which live in rainforests, we even got to see a baby rhino and tigers! We have been working hard looking at the different layers of the rainforest, the conditions of the layers and the animals which live there. In DT we looked at some biscuits, evaluated them and then created our own. We have had the Shropshire music service in to teach us how to play the dood! In PE we have had fun with Mr Bennett learning how to play rounders and how to work as a team effectively.

OAK CLASS

This half term, Oak Class enjoyed an exciting visit to West Midlands Safari Park as part of their science topic. The trip brought their learning to life and sparked lots of curiosity and discussion about animals and habitats. Back at school, they worked incredibly hard on their production of Treachery at Traitors' Quay, putting on a superb performance full of energy, enthusiasm, and talent. Their singing and acting were outstanding – a true testament to their dedication and teamwork!

GOOD LUCK YEAR 6

*You are
all
amazing!*
