AWARDS EDITION

We are delighted to share with you our newsletter showcasing our inaugural Trust Awards.

These Awards are new to us at TrustEd CSAT, and we have set them up to coincide with the merger and formation of our new Trust. The awards and the ceremony have been designed through our new extended group of Headteachers, alongside our Trust Central staff, and coordinated by Mr Lowe-Werrell, Headteacher at Mary Webb School and Mrs Ferriday, Headteacher of St Leonard's CE School. They worked together to draw things up and organise us all.

Staff across all the schools nominated pupils for the prizes as a first step. Then Headteachers worked with other school leaders to select the strongest nominations for their individual schools. This shortlisted group of pupils in each school then met with me (Sarah Godden) to help make the final selections.

It was great to meet such remarkable young people across all our schools and to congratulate them on their nominations. Following these meetings, we were then able to select the final prize winners.

Pupils were selected in the following broad categories:

- Achievement across a range of subjects
- Arts and performance contribution
- Positive impact on school life
- Strength of character and resilience
- Sporting achievement and community sports
- Community and environmental work
- Supporting the rights of others
- Compassion and care for others

Pupils were awarded prizes in these eight main areas and an overall Primary Winner and Secondary Winner were selected. Congratulations to all the pupils who received a nomination, whose names are listed on the next pages. Congratulations also go to Elizabeth Massey from Alveley School and Lulu Reynolds from Mary Webb School who were selected as our overall Trust winners.

Can we both take this opportunity to wish everyone a very good summer break and we look forward to seeing you all in September.

Warmest Regards

Sarah Godden (CEO)

Pete Johnstone (Deputy CEO)

Mrs Godden visiting some of the Belvidere School Nominees
